1. Start with a storyline. Create a story that the player will go through when advancing the steps of your challenge. Fit the learning materials into your storyline
2. Find images or videos that visually support the story you created. This helps the player to visualise your narrative and keep them motivated
3. Create challenges that help to assess the competences / learning outcomes and theme them to fit your story. The easiest type are challenges that require writing a correct word (or number) or choose the correct option from a list of options. These types are also the easiest to reproduce.

Volcano 4 – Entrepreneurial Spirit – Introduction

Expert Level

You are working as a movie producer and you have been tasked with producing the latest in the *VOLCANO* movie franchise. The previous two movies have not been successful – they have been a complete flop as they say in the movie business - and your career is dependent on you being able to make a success of this movie. You think back to how successful the first movie was in this franchise and you want to delve back into your entrepreneurial spirit to ensure that *VOLCANO 4* is ground-breaking. In order to make this movie a success, you will need to bring your team together, and figure out how to plan and deliver this ambitious project.

Image

VOLCANO 4 – Entrepreneurial Spirit – Challenge 1

1.1 Scenario

You are thinking back to the debut of *VOLCANO*, and how that movie changed your life. You reminisce back to when you were confronted with your newfound fame. You remember how all those years ago that you were really focused on establishing your name, brand and vision. You want to revisit that mindset and remember how that led you to success.

1.2 Image

You find a photo album of memories from the launching of the *VOLCANO* franchise. However, one of the photos seems to have been torn, perhaps due to negligence or age. You think you might be able to salvage the photograph, so you get to work to put the pieces back together again.

1.3 Challenge

You notice that there is a clue in this picture, but you will need to put it back together to figure out what it says. Who knows, maybe it will help you with the production of this movie? Can you figure out the clue from the remnants of this souvenir from your past?

1.4 Question

Can you solve this puzzle? Write the answer below.

<https://www.jigsawplanet.com/?rc=play&pid=10e73c06ea6a>

1.5 Solution

Vision

That's right! Vision!

1.6 Congratulate the learner

Thinking back to the days of the original VOLCANO film, you remember how you had to put your artistic vision to good use. Tapping into your vision, and the vision of your team can really help to develop a plan to bring your new ideas for VOLCANO 4 into action. Well done!

1.7 Image

VOLCANO 4 – Entrepreneurial Spirit – Challenge 2

2.1 Scenario

In order to truly succeed with this movie, you will need to figure out first how to correctly implement project management into your workflow for you and your team. You remember that there was an acronym -SMART - that helped to establish a project management plan, but you can't quite think of what it stood for. You consult with your team to try and brainstorm to see if you can put together an effective strategy. You work together to identify the correct components of the SMART strategy and ensure that you have a clear projected path of what you want to achieve from the production of the movie.

2.2. Image

2.3 Challenge

SMART strategy: You remember that each letter stands for a key element of your project management strategy. You and your team produce four possible solutions to this conundrum, but which one is correct?

2.4 Question

SMART stands for

- A) Specific, Measurable, Attainable, Realistic, Timely
- B) Sudden, Measurable, Achievable, Relevant, Timely
- C) Stakeholders, Meetings, Aims, Realistic, Time management
- D) Specific, Multiplicity, Attainable, Relevant, Traffic

2.5 Solution

That's right! It's (A) – Specific, Measurable, Attainable, Realistic and Timely!

2.6 Congratulate the Learner

By following the SMART strategy, you can create and effectively pursue your project objectives. The objectives need to be specific, measurable, attainable, realistic, and timely. By going back to basics, you can ensure that this project will be successful. Nice work!

2.7 Image

VOLANO 4 – Entrepreneurial Spirit – Challenge 3

3.1 Scenario

Now that you have established your project strategy, you and your team are feeling confident that you can turn this movie into a blockbuster! However, you are now faced with a bigger challenge. You want *VOLCANO 4* to stand out from its predecessors. But how can you achieve this? You are faced with making a complex decision. You begin to think about other successful movie franchises, such as *The Lord of the Rings*, *The Pirates of the Caribbean*, and *Indiana Jones*. You think about how these famous franchises kept the spirit of their movies alive. That gets you thinking, why not use your entrepreneurial spirit to ensure that this movie is a success?

2.2 Image

2.3 Challenge

You really want the 4th instalment of the movie franchise to stand out. You brainstorm with your production team. They agree that it is great idea to consult your entrepreneurial spirit and work together to solve this challenge.

2.4 Question

Match the following entrepreneurship definitions with the correct answer.

- An individual who sets up a business, creates a new idea.
 - Money paid or cost.
 - The name given to an individual who starts a company.
 - An activity a business does to contact and attract potential customers.
 - Things a business wants to achieve.
 - A group of individuals that collaborate to achieve a common goal.
- Goals
 - Marketing
 - Entrepreneur
 - Team
 - Expenditure
 - Founder

*** (If using Google Forms, use Checkbox Grid for this question)*

2.5 Solution

- An individual who sets up a business, creates a new idea = Entrepreneur
- Money paid or cost. = Expenditure
- The name given to an individual who starts a company. = Founder
- An activity a business does to contact and attract potential customers. = Marketing
- Things a business wants to achieve. = Goals
- A group of individuals that collaborate to achieve a common goal = Team

2.6 Congratulate the Learner

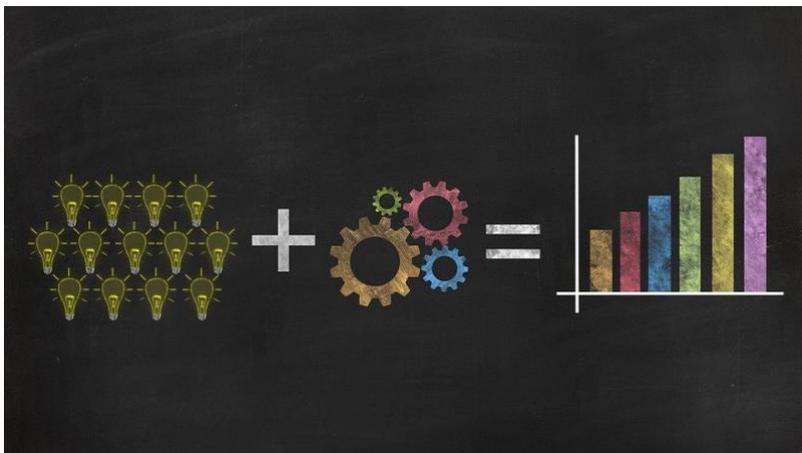

Wow! Your entrepreneurial knowledge is phenomenal. Using your entrepreneurial spirit is sure to make this movie stand out from the rest. You really displayed good leadership skills by working together as a team. Great work!

VOLCANO 4 – Entrepreneurial Spirit – Challenge 4

4.1 Scenario

Leading your team through a complex challenge has got you thinking. Now that you have decided on your project management strategy and your movie title, it's time to move on to getting *VOLCANO 4* up and running. Before you decide to discuss this with your team, you first want to make sure that your leadership skills are up to the task at hand.

4.2 Image

4.3 Challenge

You want to ensure that you and your team can collaboratively work together as you know this is fundamental to your project's success. You know that great leadership is vital for you and your team to; visualise future scenarios to increase motivation, to identify opportunities, to set personal and professional goals and to apply communication skills to motivate others. You decide that it is a good idea to do a refresher course on what it means to be a good leader.

4.4. Question

Watch the following video and decide what you think are the three most important elements of leadership that you can display to your team.

<https://cdn.jwplayer.com/videos/Yv4AvNly-tXzwfO7V.mp4>

[Or click the following link: <https://www.thebalancecareers.com/top-leadership-skills-2063782>]

Which of the following options are elements of leadership?

- Intolerance
- Poor integrity
- Motivation
- Positivity
- Unsupportive
- Low Morale
- Communication
- Feedback
- Lack of Vision
- Creativity

4.4 Solution

- Motivation
- Positivity
- Communication
- Feedback
- Creativity

4.6 Congratulate the Learner

You really know what it takes to be a good leader. Well done! By identifying the most important elements of your leadership strategy, you can empower your team to make this production project a success!

4.7 Image

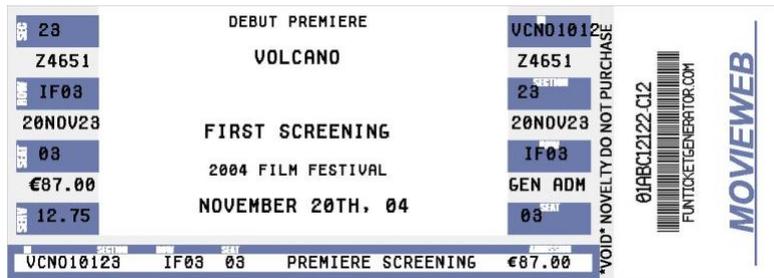

VOLCANO 4 – Entrepreneurial Spirit – Challenge 5

5.1 Scenario

You seem to have what it takes to make sure *VOLCANO 4* gains popular recognition from the public. Before production starts, you will need to make sure you can manage your project process development. While you were having a look at some of your *VOLCANO* franchise memorabilia, you came across your saved ticket from the very first screening of the first instalment of the *VOLCANO* series. Wow, you can't believe how much time has passed from that moment until now.

5.2 Image

5.3 Challenge

What a blast from the past! You remember how great it was that this movie was so successful after you worked so hard to achieve your goals. You want to remind your team that they must also set personal and professional goals to manage project process development. You notice that on the reverse of the movie stub, someone had written a note you hadn't seen before. You wonder if there is a hidden meaning, as some letters seemed to be highlighted throughout the message. Maybe this is connected to project process development.

5.4 Question

MovieWeb thanks so much for this very inspiring production

Can you figure out what this jumbled up clue is trying to tell you? I bet it's inspirational.

(Hint: Take note of the letters in **bold**!)

5.5 Solution

Motivation

5.6 Congratulate the Learner

It's motivation! You figured it out! You know that it is important to manage the process of developing a project while appreciating what motivates yourself and others. You remind your team of this, and how essential motivation can be to maintaining the different processes within project development! Not only is motivation an inspiring concept for you and your team but it can be a driving force that could really get VOLCANO 4 the type of recognition it deserves! You have paved the way to success with this production plan. You know that this movie is bound to stand out from the others and redeem the VOLCANO franchise!

5.7 Image

VOLCANO 4 – Entrepreneurial Spirit – Conclusion

That's a wrap! Thanks to your inspiring leadership, vision, passion and project management skills *VOLCANO 4* can now begin filming! You have managed to successfully cover all areas of project development in order to ensure that this production will be a great success. By delving back into your inner entrepreneurial spirit, you have managed to effectively collaborate, demonstrate leadership in a team setting and appreciate the importance of motivation within a project. Congratulations!
